 2. **Children under 2 years** are not allowed to ride the bob.
 3. **Children under 8 years** are not allowed to ride the bob on their own. They have to ride with a driver over 12 years, taller than 150 cm. The shorter kid sits in front.
 4. **Children of 8 years and over** and taller than 130 cm are allowed to use the run by themselves.
 5. **Both hands hold the stick**. Please take off any loose headgear. Don't take bags with you. Do not touch the railings.

 7. Do not bring yourself and other people in **danger by running too fast!**
The minimal distance to the bob in front has to be at least 25 m. The driver who crashes into the bob in front is taken fully responsible.
 8. Do not drive too slow and **do not stop during the ride**.
 9. **If it begins to rain, interrupt immediately the downhill ride.**
Exception: A very careful use of the run is allowed, if the bobs are equipped with special wetness-breakshoes.
- Attention! Minimum distance from bob to bob has to be 50 m. The break distance is longer. The bobs are swinging.**
10. Towards the **end** brake down to **walking speed** before passing the curtain of ribbons. As soon as you are on the **conveyor belt, get off the bob immediately**.
 11. The run is closed by rainy or icy weather.
 12. With buying the ticket you accept these conditions without any exceptions.
 13. The **instructions of the staff** must be obeyed. The staff has the authority to forbid the use of the run if the conditions are not being followed. (2008-07)
